

PROFILE	Second-year Computer Science student at KTH and co-founder of Futsalaki. I build full-stack products used by real customers, with a focus on payments, data and reliability. 2025 Cypriot national badminton champion. Looking for a software engineering internship for summer 2027.		
EXPERIENCE	Co-founder & engineer · Futsalaki Ltd, Nicosia		2026 – present
	– Matchmaking and pitch booking: an iOS/Android app for teams and a web dashboard for venues. – Payments on Stripe Connect: in-app payments, venue onboarding and payouts, automatic refunds and late-cancellation forfeits. – Led an engineering review: database performance, column privileges, rate limiting, monitoring and CI. TypeScript, Next.js, React Native (Expo), Supabase / Postgres, Stripe Connect, GitHub Actions		
	Co-developer · SSSB Market, Stockholm		2026
	– Student marketplace: account-free posting with private manage links, on-device image compression, rate limiting, moderation, EN/SV. TypeScript, Next.js, React, Prisma, PostgreSQL (Supabase), Tailwind CSS		
PROJECTS	CourtSense · badminton video analysis		in progress
	Player detection, pose estimation and automatic court calibration turn a phone video into footwork and court-coverage statistics; an LLM writes coaching feedback from them. Python, FastAPI, OpenCV, YOLOv8, MediaPipe, SQLAlchemy, Claude API, pytest		
	Algorithms & data structures in C · KTH		2026
	Core data structures from scratch with benchmarks; Dijkstra over the European rail network.		
EDUCATION	BSc Computer Science and Engineering · KTH Royal Institute of Technology		2025 – 2028
	Programming (Java), Data Structures & Algorithms (C), Digital Design, Embedded Electronics, Discrete Mathematics, Calculus, Linear Algebra		
	Upper Secondary School Diploma · Kykkos B' Lyceum, Nicosia		2021 – 2024
	Final grade 19.20 / 20 — Excellent		
BADMINTON	2025	Cypriot National Championships — National Champion	1st
	2023	Small States of Europe Team Championship, representing Cyprus	1st
Cyprus national team since 2019. Elected athlete representative to the Cyprus Olympic Committee since 2023. Two-month training residency at the Asia Badminton Academy, Kuala Lumpur.			
SKILLS	Languages	TypeScript, JavaScript, Python, C, C++, Java, SQL	
	Frameworks	Next.js, React, React Native (Expo), FastAPI, Tailwind CSS	
	Data & infra	PostgreSQL, Supabase, Prisma, SQLAlchemy, Stripe, Git, GitHub Actions	
	Spoken	Greek (native), English (C1 — IELTS Academic 7.5)	
	Certificates	IELTS Academic 7.5 (2023) · Cambridge IGCSE English, A (2022) · Pearson LCCI Level 3 Accounting, Merit (2022)
